

***GT Chamber Choir to present Bach's B Minor Mass
As a part of Church of the Redeemer Concert Series***

J.S. Bach's monumental *Mass in B Minor* was completed during the last years of his life, and is generally considered to be one of the greatest masterworks of Western art music. In January, the Sarasota musical community will have the rare opportunity to hear the Florida premiere of the *B Minor Mass* (Breitkopf urtext edition, edited by Joshua Rifkin) with organ.

The Georgia Tech Chamber Choir, one of the finest collegiate chamber ensembles in the Southeast, will present this rarely-performed masterpiece on **Sunday, January 16 at 5.15 PM** in the Episcopal Church of the Redeemer. GT Director of Choral Activities Dr. Jerry Ulrich will conduct the chorus and student soloists, accompanied by professional organist Paul Carroll. The performance is a part of the Church of the Redeemer Music Series Solemn Evensong. Redeemer is located at 222 South Palm Avenue Sarasota, Florida 34236

The Georgia Tech Chamber Choir was founded in 1998, and regularly performs major works both unaccompanied and with orchestra. Recent performances have included *Copland In the Beginning of Creation*, *Ginastera Lamentations of Jeremiah*, *Corigliano Fern Hill*, and *Bach Cantata 80*.
